English.

This term we have been reading the 'Labour of Hercules' and writing our own labour for Hercules to do. This week I would like you to write out our own comic strip about your labour.

You will have 6 boxes to draw and write each scene for Hercules 13th labour.

In each box should have quotes between the character or thought bubbles, then a sentence to describe what is happening in the scene.

1st – Hercules returns to King Eurystheus after the 12th Labour.
2nd – The 13th being set.
3rd – The journey the labour
4th – Arriving to the lair, seeing the beast
5th – Fighting the beast
6th – Return back to King.

Layout:

1 Hercules returns to King Eurystheus after the 12th Labour.	2 The 13th being set.
3 The journey the labour	4 Arriving to the lair, seeing the beast
5 Fighting the beast	6 Return back to King.

Examples:
